CONDITIONS OF SALE

1. The highest bidder to be the Purchaser and no bidding shall be retracted after the hammer has fallen. The Auctioneer reserves the right to refuse any bidding and in the event of any dispute the Lot may be put up again at the Auctioneer's discretion.
2. All Lots are put up for sale, subject to any reserve price imposed by the Vendor.
3. The description of the various Lots is believed to be correct. For the guidance of Purchasers approximate measurements of Lots are given in the Catalogue, but it must be emphasised that this information is given for guidance only. No warranty as to weight, quality or condition can be given and any intending Purchaser shall be deemed to have inspected the Lot in which he is interested.
4. All Lots are sold for cash and must be paid for in the Saleroom at the termination of the Sale. Intending Purchasers unknown to the Auctioneer are requested to pay by debit card or cash. All Lots paid for by cheque must not be moved (except with the permission of the Auctioneer) until the cheque is cleared. **Credit cards are not accepted.**
5. Retention of Title – Title in all lots remains vested with the Auctioneer until payment in full has been made. In the event of the lots being resold before payment is made, the purchaser shall hold the proceeds of such sale on trust for the Auctioneer.
6. All Lots must be removed as stated in the Catalogue, and if not so removed the Purchaser shall pay the Vendor a penalty of £10 per week or part week until final clearance or forfeit the balance of the Lot at the Vendor's discretion. The Purchaser shall indemnify the Vendor for any damage that may be caused to gates, fences, buildings, etc. in the course of the removal of any Lot.
7. The Auctioneer intends to sell in the order Lotted and described in the Catalogue and reserves the right to make any alteration if so required.
8. The Auctioneer will not be responsible for any Lots damaged by fire, accident or otherwise, and all Lots are the Purchaser's responsibility from the fall of the hammer.
9. Upon failure of complying with the above conditions, money deposited in payment will be forfeited and the Lots which may remain un-cleared after the time aforesaid will be sold by public or private sale, without notice to the former Purchaser and the deficiency (if any) by such second Sale, together with all charges attending the same, shall be made good by the defaulter at this Sale.
10. In the event of non-sale in the Saleroom any future negotiations to be through the Auctioneer, as agent of the Vendor, when these conditions will apply, subject to any written arrangements to the contrary.

REMARKS

1. The Auctioneer, who has inspected some of the Lots, will supply additional information on those Lots as far as he can as to quality and condition, but no warranty can be given. Some Vendors have supplied their own opinions on quality as noted in brackets but provide no warranty.
2. The Auctioneer will carefully execute written commissions from those Purchasers unable to attend the Sale and will purchase Lots as cheaply as allowed by other bidders.
