TENBURY FODDER & STRAW SALE REPORT – 12TH NOVEMBER 2026

Nick Champion Auctioneers report a reduced number of farmers and dealers in attendance at The Fountain Inn, Tenbury Wells on **Thursday 12th November 2026** for the collective auction sale of a very large entry **8640 bales of fodder and straw and 58 tonnes of fodder beet**. The dry and warm autumn has relieved the pressure on fodder use with a lot of cattle yet to be housed and trade was difficult with bidders only for best quality and realistically reserved lots.

Conventional bales topped at £5 twice for meadow hay from G Everall, Orleton and from E G Holloway & Co, Stanford Bishop.

Haylage and silage topped at £45 for round bales of seeds haylage from E H Handley & Sons, Sutton.

Straw demand was very steady. Top price per bale was £45 for 8' x 120 x 90 wheat straw from R W & P M Brown, Sutton. Round bales topped at £29 for oat straw from T & P W Richards, Clifton on Teme.

Fodder beet sold at £40 per tonne from R Robinson & Sons, Harvington.
