SITUATION & DESCRIPTION

Southnett Cottage is conveniently situated in a semi-elevated and sheltered position just off the A456 and is only a short drive away from the market town of Tenbury Wells which offers many facilities including a variety of shops and services, primary and secondary schools, a library, a doctors' surgery, a cottage hospital, swimming pool and gym, a cinema, and a range of clubs and societies. Cleobury Mortimer and Kidderminster are also within easy reach. The property is within the highly regarded Bayton C of E Primary School and The Bewdley School (Secondary School) catchment areas.

Southnett Cottage is a Victorian detached country cottage constructed of painted brick elevations under a clay tiled roof with a later single storey kitchen extension with a corrugated iron roof. The cottage is in need of complete renovation and also lends itself to further extension (subject to the necessary consents), and provides the opportunity to create a very lovely family home. The property enjoys a sheltered setting and has generous sloping gardens, a detached garage, ample driveway parking space, and woodland - in all about 0.428 acre (tbv). The property is offered for sale with no upward chain.

ACCOMMODATION

A canopy porch with a hardwood entrance door opens into the kitchen/breakfast room with a tiled floor, fitted units incorporating a stainless steel sink/drain, with space for a cooker with an extractor hood over, plumbing for a washing machine, and an opening through to a back hall with a door to outside. The dining room has an inglenook fireplace (not in use), a part glazed door opening onto the garden, and an opening through to the snug, leading through to the sitting room which has an inglenook fireplace (not in use) and a part glazed door opening onto the garden. There is an externally accessed garden wc.

Stairs off the dining room rise up to the first floor landing which has an airing cupboard with a radiator and shelving. There are two double bedrooms, and a bathroom with a disability bath, vanity basin unit and wc.

OUTSIDE

A stoned driveway with parking and turning space leads to a detached concrete open fronted garage (18'5" x 8'3"). To the west of the parking area is a further stoned area which could be incorporated to create further parking, and woodland. From the parking area steps rise up past a brick and corrugated iron store shed to the established south facing gardens which incorporate lawns with mature ornamental and fruit trees, shrubs and flowers. There is a metal garden shed (8' x 6') and another garden store shed.
